Accredia Referable Calibration Report for XS BALANCE

Code: *27000903*

TECHNICAL DATA SHEET

Description

The document is completed at the headquarters of Giorgio Bormac.
Accredia certified weights are used to check the scales certified by Accredia.
Inside the certificate are the test measurements of:
- REPETITIBILITY
- LINEARITY
- OFF-CENTER LOAD
- TEMPERATURE CHECK (BM 113 only)

In accordance with Accredia directives for the calibration of scales.
